

Dear members,

Today, I'm delighted to share an exhilarating update regarding our club's long-standing partnership with Element3 Health. Hold onto your hats, because Element3 Health has embarked on a transformative journey and is now proudly rebranded as Grouper!

You might be wondering, why Grouper? Well, it's not just a nod to the aquatic world. Grouper represents a new wave of excitement, unity, and seamless experiences that resonate with our club's ethos. It's more than a name; it's our renewed pledge to enrich life through joyous group activities, shared adventures, and the irreplaceable laughter that comes from genuine fellowship.

With this new name comes exciting changes:

- **Your Membership Dues Simplified:** We're making it easier than ever for you to participate in club activities. Eligible members will receive their annual dues reimbursed via a check in the mail. Yes, you read that right – straight to you, making things simpler and more convenient.
- **Upfront Reimbursement:** Remember the days of waiting for reimbursements? Say goodbye to them! Starting now, eligible members will receive their dues for the year upfront via a check directly to them in the mail. Smooth, efficient, and hassle-free!

An Added Bonus: Receive a \$10 Amazon Gift Card With this exciting change, Grouper is offering an Amazon Gift Card offer! Enroll in our program between now and February 28th, and you will receive a \$10 Amazon gift card regardless of eligibility.

Ready to dive into this new adventure? Simply enroll at our dedicated club enrollment link to see if you are eligible to have your annual club dues paid directed to you. Eligible members can expect to receive a check for their dues within 45 days of submission.

Enroll here: GrouperGroups.com/RGQ

If you have any questions or just wish to share your thoughts about this exciting transition, please reach out to Grouper's team at 833-906-1700.

Here's to making more unforgettable memories at our club and embracing a future that's healthier and filled with joy, together.

Warm regards,

Linda Brown
